

The Quail Run/Valley Station Connection

Newsletter of the Quail Run/Valley Station Neighborhood Association

September 17, 2018

Note from the President

We are very excited to have our own website and group email! Our residents will now have easy access to information regarding our neighborhoods. What a wonderful way to help each other! The group email is qrvs35124@gmail.com.

Thank you for your support of the QR/VS Neighborhood Association!

Susan Holmes
President

Officers

President - Susan Holmes

Vice President - Donna Porter

Treasurer - Sharon Gallivan

We're Working Hard For You

The QR/VS Neighborhood Association work hard to help keep Quail Run and Valley Station neighborhoods of choice. Below are two areas in which we need volunteers. If you are interested in helping with either of these opportunities, please email me (Susan Holmes) at sdholmes53@yahoo.com or text me at (205) 567-6707.

- **Welcome Packet** - We would like to be able to provide new families moving into Quail Run and Valley Station with a "Welcome packet ". This would be provided by the association and would include information such as, how to access our website and group email, and the garbage pick-up schedule. In order to this we would need volunteers to notify us when a new family moves in.
- **Yard-of-the-Month** - We would like to recognize those homes that have well-maintained lawns and great curb appeal. Each month a recognition sign would be provided for that yard. We would need volunteers to notify us when they see a potential candidate for this recognition.

Quail Run Entrance Update

The lot at Quail Run entrance has been purchased by an investment company. Their plans are to build a home there within the next two years. We are very grateful that they have agreed to allow the Quail Run sign to remain on the property.

After twenty-five plus years the underground lighting that illuminates the Quail Run sign has to be replaced. We appreciate your patience and support as we work to take care of this as quickly as possible.

Southern Heritage Cemetery Update

by Douglas Glasscock, General Manager

"Southern Heritage Cemetery is proud to announce the addition of our Landmark Estate Section. This nine-acre project is scheduled to be completed by the end of 2018 and will offer our families different choices for burial. Landmark Estates will offer Family Estates, Build to Suit Lots, Cremation Products and also Monument Gardens. Landmark Estates is located right inside the cemetery along Highway 119/Cahaba Valley Road. Please contact Doug Glasscock or Alisa Sims if you have any questions at (205) 988-3511."

Contributions

In September, we ask each homeowner to contribute \$30. This money is used to pay for the lighting at the Quail Run entrance, lawn maintenance at both entrances, and yearly fee to maintain our website. We have tried to make this as convenient as possible under ***Pay Contribution*** on our website. We sincerely appreciate your contribution.

Curb Appeal

Enough cannot be said about the benefits of curb appeal. It is the first impression visitors get upon entering a neighborhood and looking at homes. From the mailbox post to the front door, people notice curb appeal... good or bad. Beautiful curb appeal doesn't have to be elaborate or expensive. A mowed lawn that is free of clutter immediately makes a home look great. A new mail box or mailbox post can make a big difference at a small cost. Storing lawn tools, trailers, pieces of equipment and miscellaneous items behind your house and out of sight makes a tremendous difference in how your home looks.
